

BUSINESS WATCH NOTIFICATION

On Monday December 12, 2011 we received a call for service on Leadbetter Road the caller advised some mail was found in his dumpster. The Deputy recovered several pieces of mail. This is the fifth incident in the last two years. Please take your mail out of your mailbox before you leave at the end of the day. This seems to be when this mail was stolen. Also please suspend your mail deliveries over the weekends. For those interested in stopping your mail in the Air Park, contact the Ashland Post Office at 798-5390. All other businesses please contact your Post Office. Also, please don't place any mail that contains checks in "your" mailbox. Take them to the post office or place them in a post office receptacle.

Please check your surveillance systems for the overnight hours of Monday 12/12/11 through 12/13/11 to see if your system has captured any suspicious activity.

As always, please remember to contact the Sheriff's Office if you see or hear about suspicious activity immediately by either calling 911 or 804-365-6140. If you have security concern questions, please contact the Sheriff's Office Crime Prevention Unit at 804-365-6110.
