

BUSINESS WATCH NOTIFICATION

Save your money/recyclable metals!

We have been experiencing larcenies of recyclable metals (also known as scrap metals) at businesses in Hanover County as well as the Richmond Metro area. We want to make every business aware of these larcenies. We ask businesses, to please secure your storage bin, dumpster, area, etc. if you store scrap metal on your property. If you leave your scrap metal unsecured, it is vulnerable to theft. Remember, your unsecured scrap metal is just like leaving your money sitting around unsecured for anyone to walk off with.

Local scrap prices as of May 20, 2011:

<u>Metal</u>	<u>Price</u>	<u>Brief description (not exact)</u>
Copper - #1	\$2.90 lb.	Stripped heavy gauge wire or clean pipe
Copper - #2	\$2.70 lb.	Stripped light gauge wire or dirty pipe
ACR – clean	\$1.35 lb.	A/C unit no steel or plastic
ACR – dirty	\$1.20 lb.	A/C unit w/steel &/or plastic
Brass	\$1.00 lb.	
Heater Cores	\$1.00 lb.	
Aluminum – clean	\$.52 lb.	100% aluminum
Aluminum – irony	\$.15 lb.	Engine blocks w/metal parts
Steel	\$.08 lb.	

We are continuing to build an e-mail notification list for businesses in Hanover County and we need your assistance. If you own a business in Hanover County and received this message from someone other than the Hanover County Sheriff's Office we ask that you please send your e-mail address to Deputy Jim McLaughlin at jpmclaughlin@co.hanover.va.us

If you have any questions regarding this, contact Deputy Jim McLaughlin at 365-6335.
